Comprehensive Plan Amendment Instructions

Who May File: Individuals, organizations, partnerships, corporations, and public agencies are eligible to make application for comprehensive plan amendments.

Individuals making application on behalf of a property owner must include the property owner's signature or evidence must be provided that an individual is lawfully authorized to sign on behalf of the property owner. Similarly, evidence that a person is lawfully authorized to sign on behalf of a corporation, agency etc., shall be required. In instances where there is more than one property owner, all property owner signatures are required.

Application Forms: Anyone wishing to propose comprehensive plan amendments must submit a complete application on forms available at the City of Algona.

Text amendments should be as specific as possible to allow others to clearly understand the language being proposed and/or deleted.

As map amendments are parcel specific, it is essential that an accurate map and legal description clearly identifying the parcel proposed for amendment be provided.

Those interested in submitting a comprehensive plan amendment application are welcome to schedule a pre-application meeting with City staff to discuss their proposal.

State Environmental Policy Act (SEPA): Certain applications, because of their characteristics, will require the applicant's submittal of a SEPA environmental checklist. Applicants should discuss with City staff whether a SEPA checklist is required. Applications involving complex environmental review, such as those requiring an Environmental Impact Statement (EIS), may need to be considered during the following year's amendment cycle.

Process/Time Frame: Following City staff review preparation of staff recommendation, plan amendment applications will be forwarded to the City of Algona Planning Commission for a public hearing in the Fall. Following the Planning Commission public hearing and recommendation, the City Council will consider the amendments. Final action by the City Council on amendment requests typically occurs in December.

Relation to Zoning Map: Comprehensive plan map amendment requests seek to amend the land use designation for a specific parcel (or parcels) of land on the Comprehensive Plan Map. While a change to the Comprehensive Plan Land Use Map may support a future zoning change, **it does not change the City's zoning map**. Applicants must pursue amendments to the City's zoning map under a separate process. These applications may be combined.

Application Deadline: The submittal deadline for 2021 Comprehensive Plan amendment applications is **May 31st – 5:00 p.m.** Please submit **three (3)** copies of your application on or before that date.

Fees: The application fee for a comprehensive plan amendment must be paid by the applicant prior to City review of a proposal.
